Order No. 91-464, dated June 7, 1991.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the April 18, 1995 request of Celestia Ann Joyner (Joyner) for reinstatement of a certificate cancelled by a Commission Rule to Show Cause. For reasons elucidated herein, this request must be denied.

Joyner states in her letter that her Certificate of Public Convenience and Necessity was cancelled in 1992 because of an insurance company failure to file cargo insurance. The Commission issued Order No. 91-464, dated June 7, 1991, cancelling Joyner's authority for failure to file insurance. Joyner now comes before this Commission asking for reinstatement of that authority. The Commission has examined this matter and believes that the request must be denied. The Commission, in reaching this decision, has noted that the authority was cancelled in an Order dated June 7, 1991. Considering the time period that has elapsed, this Commission believes that Joyner should apply as if she were applying for authority for the first time. The Commission believes

that she must publish a Notice of Filing pursuant to the usual letter of the Commission's Executive Director. All in all, we believe that this request should be treated as a new request for a Certificate of Public Convenience and Necessity. This Order shall remain in full force and effect until further Order of the Commission.
